

Pro gamers such as XXX and XXX make exercise part of their training.

You won X games and lost X games today.

Do you have some homework you should do first?

Wow, you won X games last time! Let's do it again!

You're doing great!

It's time to take a break. Try this: XXXX

That game was rough! Take a break but don't give up!

You have time for 1 more game!

X more games until bedtime.

It is XX:XX o'clock. Players who go to sleep before XX:XX play better than those who don't.

Taking a break after a tough game helps you play better.

It's late! Game time is over.
